CRIMINAL JUSTICE INFORMATION SYSTEM

During the 71st Regular Session in 1989, the Texas Legislature made sweeping changes in the criminal justice system. House Bill 2335 and Senate Bill 41 created Chapter 60 of the Code of Criminal Procedures (CCP). Chapter 60 outlines and defines the Criminal Justice Information System (CJIS). The Texas Department of Public Safety (DPS) and the Texas Department of Criminal Justice (TDCJ) were called upon to create a comprehensive system that includes relevant data for criminal justice agencies responsible for the arrest, prosecution, adjudication and correction of criminal offenders. In addition, this information provides usable data to support the analyses of criminal justice policy makers and planners.

This data is maintained in a statewide Computerized Criminal History (CCH) system regulated by the Crime Records Division of DPS.

2. If you have already submitted a different Arrest Disposition to DPS, use a copy of the original CR-43, change the arrest disposition to 228 – Transferred for Civil Prosecution and write “Correction” in the Local Agency Use field at the bottom of the form. Additionally, the name of the person making the correction and the date should be legibly printed in the For Local Agency Use field. Send this corrected form to the DPS. Please use blue or black ink for all corrections.

RELEASED WITHOUT PROSECUTION

When a CR-43 is sent to the DPS on an offender and the arresting agency decides they will not pursue the case, the arresting agency must update the arrest disposition in CCH. This updated arrest disposition will reflect the offender was released without prosecution. This is the only way DPS is able to close the open arrest created by the submission of the CR-43. The arrest will remain on the offender's criminal history record. To complete this process, you may perform one of the following:

1. Using a copy of the original CR-43, change the arrest disposition to 207 and write "Correction" in the Local Agency Use field at the bottom of the form. Additionally, the name of the person making the correction and the date should be legibly printed in the For Local Agency Use field. Send this corrected form to DPS. Please use blue or black ink for all corrections.
2. Send a memo on agency letterhead requesting the DPS change the arrest disposition code to 207. When making this request, include the following information to ensure correction of the appropriate charge:

In the For Local Agency Use field write “Duplicate to TRN (TRN they are continuing to use for the case)”. The court should then submit this pink form to DPS where the TRN will be closed and a note made in the criminal history. The court should also notify the prosecutor and the arresting agency which TRN they are continuing to use for the case.
